RESCISSION OF PUBLIC HEALTH ORDER No. COVID-19-7A

PLEASE TAKE NOTICE:

On January 7, 2021, L. Brannon Traxler, as the Interim Public Health Director, issued Public Health Order No. COVID-19-7A, directing all pandemic providers to report information pertaining to the administration of each dose of COVID-19 vaccine within twenty-four (24) hours of administration. Public Health Order No. COVID-19-7A modified Public Health Order No. COVID-19 7 that was signed by L. Brannon Traxler, as the Interim Public Health Director, on January 5, 2021.

WHEREAS, Public Health Order No. COVID-19-7A stated that the Order was effective immediately and must remain in effect unless otherwise modified, amended, or rescinded by subsequent order; and

WHEREAS, on February 11, 2021, Public Health Order No. COVID-19-8 was issued updating the reporting requirements for pandemic providers administering COVID-19 vaccine; and

ACCORDINGLY, I now RESCIND Public Health Order No. COVID-19-7A issued on January 7, 2021. This Rescission is effective immediately. All applicable statutes, regulations, and guidance not consistent with this Rescission remain in effect.

A handwritten signature in blue ink that reads 'Linda J. Bell, M.D.' is positioned above a horizontal line.

Linda J. Bell, M.D.
State Epidemiologist
Director, Bureau of Communicable Disease Prevention and Control
